

# VOLUNTEER PARK TRUST EVENT SPONSORSHIP OPPORTUNITIES

Sponsoring an event with the Volunteer Park Trust is an effective way for corporations, small businesses, and individuals to demonstrate their support of green space and will help us to restore, protect, and preserve our National Landmark for today and generations to come.

Widely used and much loved, Volunteer Park serves as both a citywide destination and neighborhood park in one of Seattle's densest, most prominent neighborhoods. By sponsoring an event, you will support our community events in Volunteer Park and help restore the park through landscaping and other visible improvement projects. In kind donations are welcome at any level.
