EMERGING LEADERS COMMITTEE

Information

ABOUT US

Founded in 2012, **Volunteer Park Trust's** mission is to preserve and enhance Volunteer Park for today and for generations to come. We host large, fun community events in the park like our Summer Picnic, as well as monthly and seasonal gardening work parties. We also complete major park upgrades such as the wrought-iron fencing around the Lily Ponds. Our current **Amphitheater Project** is replacing the park's aging performance stage with a modern facility to meet broad community needs. We are funded entirely by donations from those that love Volunteer Park.

EMERGING LEADERS COMMITTEE PURPOSE & BENEFIT

The Emerging Leaders Committee (ELC) is new initiative of VPT to grow individuals from the greater Seattle area who are passionate about our mission to preserve and enhance Volunteer Park. The ELC will play a strategic role to develop awareness of our mission and programming by leveraging social media, events, and individual fundraising. ELC members have opportunities to create, plan and participate in service activities (volunteer days, awareness campaigns, etc.); help plan and host fundraising events (happy hours, crowd-funding campaigns, *etc.*); and interact with VPT Committees.
